

Want to help set your child up for SUCCESS in middle school?

Meet the Locker Organizer

What family wouldn't benefit from a little organization? We have the perfect tool for you! You can support your favorite student and the BBMS Theatre Program at the same time!

This system divides your locker into 3 or 4 separate storage areas for organization.

Use one shelf for before lunch classes and the second for after lunch classes (the times your child will access their locker). Fits 12-inch wide BBMS lockers. Indestructible shelves vs. flimsy shelves purchased at local stores.
