Happy Thanksgiving!

Dear BBMS Families,

We want to pause this week to say "thank you" to all of you for helping make BBMS a special place where students enjoy coming to school, learning, and growing socially and emotionally. We are so fortunate to have a supportive and active PTA that helps in so many ways. We are also thankful for having a talented, caring staff who teach your students every day. Our support staff is also amazing and does so many things to make sure students and teachers get what they need each day. We are also lucky to have nice students who care about each other. BBMS really is a special place and we are glad to have you be a part of it.

This week you saw MAP scores and Report Cards come home. How did they look? Will you stop in to school this week to meet with a teacher? Maybe you want to drop by just to say "thanks" for looking out for your son or daughter. Whatever the reason, we hope to see you! Take some time this week to model for students how thankful we all should be to live in Howard County where schools are safe and students get to learn in a caring environment. I know I am thankful to be at Bonnie Branch this year!

Happy Thanksgiving!

Drew Cockley
Principal
