2019 BBMS Report Card

Dear BBMS Families!

Yesterday, we received our 2019 School Report Card and we are excited to say that we maintained our 4-star rating! Schools can earn anywhere from 1 (low) to 5 (high) stars - and we earned 4! This is exciting news for our school and community.

HERE a summary of our report card: [MSDEReportCard2019.pdf](#)

You can also go to the MSDE site for more information:

<https://reportcard.msde.maryland.gov/>.

This report card is a good snapshot of how we are doing as a school and shows us our strengths and areas for improvement.

Additionally, here are two public releases if you'd like to read more about the report card:

In addition to our ongoing school improvement efforts at BBMS with staff, we have plans to create focus groups for students and parents to give us a better understanding of different perspectives and reasoning behind the results in our report. In doing so, we can develop plans that address areas for growth which are inclusive for all stakeholders at BBMS.

Thank you for your commitment to BBMS and for encouraging your students to do their

very best each day. I am confident that together we will be able to achieve a 5-Star rating for our school!

Go Sharks!
