Dear Parents and Guardians of Sixth Grade Students,

Outdoor Education is an extremely successful program incorporated into the academic life of all 6th grades students at Bonnie Branch Middle School (BBMS). We are looking forward to working with all of you in order to make it another successful Outdoor Education trip. The packet includes pertinent information for the field trip. If you have any questions about Outdoor Education, please contact Mr. Steven Boone, Sixth Grade Team Leader, at 410-313-2580, or email her at steven.boone@bbms.org.

Sincerely,
Team Six
"Together We Can!"

What is Outdoor Education?

Outdoor Education is...

- a 3-day/ 2-night program where students study science in an exciting and hands-on outdoor setting where there is also a focus on adventure, life skills, and character development.

What is the purpose of Outdoor Education?

The purpose of Outdoor Education is to...

- help students develop a positive attitude toward learning by experiencing a natural environment first-hand
- encourage students to apply knowledge and skills acquired in the classroom to real-life situations
- encourage students to apply scientific processes, such as observing, measuring, classifying, and hypothesizing
- foster within students an awareness, concern, and respect for our natural environment
- develop a sense of self-esteem and team work
- provide students, parents, and BBMS staff members an opportunity to develop a deeper community relationship

When/Where is Outdoor Education?

- Bonnie Branch will be using the facilities of NorthBay in North East, MD.
11 Horseshoe Point Lane
North East, MD 21901

Medication Guidelines

In order for NorthBay medical staff to administer medications you must provide ALL of the items below:

1. Medication Authorization Form listing all of the medications brought to camp
 2. Parent/guardian signature at the bottom of the Medication Authorization Form
 3. Physician signature at the bottom of the Medication Authorization Form
 4. A pharmacy label showing the name of the student, medication, strength and dosage instructions on EVERY prescription medication including inhalers, nasal sprays, cream, disc's, etc.
 5. Over the counter medications must be in their original containers – medication in baggies or pill-a-day containers will not be accepted.
- While the student is at NorthBay, all of their prescription and over the counter/non-prescription medication will be secured in the Wellness Center and can be administered by the Wellness Center staff. Before any medication can be administered a NorthBay Medication Authorization Form must be completed and signed by the prescribing physician and by the student's parent/guardian for EACH MEDICATION that is to be given. If the student already has a medication form on file with the school a copy of that form may be sent in lieu of the NorthBay Medication Form as long as it is signed by both the prescribing physician and the parent/guardian. If you are submitting a copy of the school medication form please insure that all the administration times for an entire 24 hours are listed on that form. These forms are due to NorthBay at least 2 weeks prior to the student's arrival.
 - All medications that are to be given while at camp MUST be in their original container (box, pill bottle, etc.) They cannot be in a pill organizer, baggie or envelope. Prescription medications (including rescue inhalers) MUST have the pharmacy label attached to the container and it MUST match the signed NorthBay medication form in order for the student to receive the medication. Medications cannot be expired or more than 1 year past the original prescription date. Sample medications from a doctor's office cannot be administered while at camp.
 - In the effort to ensure the safety of all students, medications cannot be packed in the student's luggage. All medications (including any self-carry medications) must be given to a designated school staff member prior to leaving the school then delivered to the NorthBay Wellness Center immediately upon arriving at camp. The medications will be secured in the Wellness Center for the duration of the camp and returned to school personnel at the end of the week. The medications will be returned to the parent/guardian after returning back to the school at the end of camp. The student cannot keep any medication (other than self carry medications) in his/her cabin or give medication to his or herself. All medications that the student wishes to self carry will be redistributed to the students after they arrive at camp and after approval is obtained by the NorthBay RN.
 - **Self-Carry Medications:** The following are the only medications that can be carried by the student while at camp with permission of the NorthBay RN: rescue inhalers (Albuterol, ProAir, Ventolin, Zopenex), Epi-Pens and insulin used while in insulin pumps. These medications must be in the control of the student, educator or counselor/chaperone at all times while at camp and be self-administered with an adult's supervision. If you would like the student to self carry any of the above medications please send two of each medication so one can be kept in the Wellness Center for quick access during any emergency.
 - **Over-the-counter medications:** The following over-the-counter (OTC) medications can be given as needed by the Wellness Center staff while the student is at camp: Acetaminophen (Tylenol), Ibuprofen (Motrin, Advil), Calamine Lotion, Diphenhydramine (Benadryl), Triple Antibiotic Ointment (for minor cuts/scrapes), & Loratadine (Claritin). Before the student can receive any of these medications the parent/guardian must check the boxes beside the medications that the student is allowed to receive then sign the Parent/Guardian Consent that is on the back of the North Bay Health Form. These are the only OTC medications that the student can receive with just the parent/guardian's consent. If your student requires any medication on a regular basis that is not listed above (i.e. cold medication, cough medication) you must complete a NorthBay Medication Form (signed by a physician) and supply the medication/s while the student is at camp.
 - Please call the staff at the Wellness Center if you have any questions – (443) 674-9035

MEDICATION PROCEDURE INFORMATION

School system requirement for medication administration must be followed in order for students to take medication during school hours and school sponsored events.

1. Parents must provide a written authorization for **any** medicine to be administered. This includes over-the-counter medicine (including medicated cough drops), homeopathic medicine, and prescription medicine.
2. **The first dose of any new prescription must be given at home.**
3. The parent/guardian is responsible for obtaining a written the medication order. The attached medication form/physician's order is preferred. An authorized prescriber (physician, dentist, physician's assistant, nurse practitioner) may use office stationary or a prescription pad instead of completing the attached form. The authorized health care provider must sign the order form. Necessary information includes:

<ul style="list-style-type: none"> • Name of student • Date of medication order • Name of medication • Dosage and strength of medication • Route of administration 	<ul style="list-style-type: none"> • Date order expires (Check box if order valid for summer school.) • Time and frequency of medication • Diagnosis (Reason for administration of medication.) 	<ul style="list-style-type: none"> • Authorized health care provider signature • Special instructions (including whether or not medication may be self-administered or carried by the student)
---	--	--

Note: PRN medications should have the **frequency** of repeat doses clearly indicated on the order.

4. Occasionally students may need to self-administer/carry medication such as inhalers or emergency medication. A written medication order, signed by an authorized health care provider, that specifically states that the student may self-administer/carry medication, must be on file in the health room for any student who carries medication throughout the school day.
5. **A new medication order is required for each new school year dated on or after July 1.**
6. The medication should be delivered to the school by the parent/guardian or, under special circumstances, an adult designated by the parent. Students should not transport medication to or from school.
7. All medication must be properly labeled and consistent with the medication order. Pharmacy containers and labeling are preferred; *a second labeled container can be obtained by asking the pharmacist*. Parents should label over-the-counter medication. Physician samples must be appropriately labeled by the physician or parent/guardian. The following information must be on the label:

<ul style="list-style-type: none"> • Name of the student • Date of the medication order 	<ul style="list-style-type: none"> • Name of the Medication • Route, time, and frequency of the medication 	<ul style="list-style-type: none"> • Dosage and strength of the medication • Authorized health care provider name
---	--	---
8. Over the counter medications must be received in new, unopened containers and be clearly labeled with the student's name.
9. The school nurse must approve the medication order before the first dose of medication can be administered at school.
10. The parent/guardian is responsible for submitting a new medication order form to the school each time there is a change of dose or time of administration or route of administration.
11. The parent must provide medication for as long as it is prescribed. All medication kept in the school will be stored in a locked area accessible only to authorized personnel.
12. Within one week after expiration of the effective date on physician's order, the parent/guardian must personally collect any unused portion of the medication. Medication not claimed within that period will be destroyed.
13. Expired medication cannot be given. The effective expiration date of a medication is the earlier of either the pharmacy labeled expiration date or the manufacturers expiration date.
14. Each student's confidentiality will be maintained to the extent possible by school staff. At times, school personnel outside of the health services program may need to be made aware by health services staff that a student is receiving medication in order to monitor effectiveness, side effects, adverse reactions, or in response to other legitimate school related issues or responsibilities. Information will be shared on a need-to-know basis only.
15. Under no circumstances may any school staff administer **any** medication outside the procedures outlined in the Health Services Medication Administration Procedure.
16. The Howard County Public School System does not assume responsibility for medication administered outside of the Health Services Medication Administration Procedure.

CABINS

Lodging is provided in one of 18 different cabins. Each cabin consists of 2 rooms, with 6 bunk beds each, for a total sleeping capacity of 12/room and 24/cabin. Inside the cabin, next to each room is a bathroom. Our cabins are heated and air conditioned, and separated by gender. **Males and females are NEVER allowed to be in or around a cabin of the opposite gender! Students are NEVER allowed in the cabin without adult supervision.** Each cabin will have at least one adult chaperone who will move throughout the week with that group from one activity to another.

***Bed linens are provided by NorthBay!**

***Towels and washcloths are NOT provided**

Introducing NorthBay

THE SCHOOL PROGRAM

At NorthBay, our mission is to challenge middle school students to realize that their attitudes and actions have a lasting impact on their future, the environment and the people around them by using Common Core and Next Generation Science standards, character development and the outdoors as an integrating context. Class offerings are extensive and integrate the *Maryland Voluntary State Curriculum*.

Things to know...

CLASSES

Classes meet all over camp. On average, students spend 75% of their class time outside. Dressing in layers is recommended and boots are always a good idea as feet will be in wet areas during every season. **Students are expected to come to class dressed appropriately for any and all weather conditions.** During winter months, a warm jacket, hat, and mittens or gloves are **essential to provide adequate warmth.** Some form of rain gear is another essential during warmer months. Chaperones will know their schedule before the day begins and help students to prepare accordingly.

MEALS

NorthBay takes time with meals and serve them family style to make them fun, full of surprises, relationship oriented, nutritious, and tasty. We can also accommodate special dietary requirements for your child assuming they are communicated in advance.

ACCESSIBILITY FOR ALL

The buildings, pathways, and activities at NorthBay are accessible to disabled persons. Students with special needs can participate in a variety of activities, including our adventure courses. We encourage all students to attend and request to be informed of students with special needs.

Parents with additional questions can call NorthBay office Mon.-Thur. 8am-5pm, Fri 8am-3pm @ 443-967-0500 or visit www.northbayadventure.org

SNACK BARS and STORES

NorthBay's snack bar will be open during activity time for student and adult use and serve foods such as ice cream, granola bars, sport drinks, soda, juice, pretzels, etc. "The NorthBay Trading Company" is open during students' activity time in the afternoon and evening. Items for sale include film, toiletries, various educational books and materials, along with t-shirts, sweatshirts, and other NorthBay items.

THOUGHTS ON POCKET MONEY ...

\$15 for snacks should be plenty for any student during the week. The NB Trading Company carries items which range in price from \$1.00-\$35. NorthBay recommends students bring no more than \$50 to camp, \$30 is average, and small bills are always helpful. For your convenience and security, non-refundable gift cards are available for campers to use at the snack bar and store. To utilize this option, please call our main office with a credit card number and the amount you wish to put on the card.

MEDICAL SERVICES

NorthBay's Wellness Center contains a treatment area, isolation rooms, medication storage, and appropriate bathrooms. NorthBay's staff includes two RN's as well as several EMT's trained in CPR, first aid and medication administration. Twenty-four hour emergency medical care is also available at Union Hospital in Elkton, MD.

MEDICATION REQUIREMENTS FOR SCHOOLS AND PARENTS

- The Health Information form is required for every child attending NorthBay. If your child requires prescription medication during their stay, then the additional Medication form is required.
- Medications must be coordinated and approved by your school representative.

- All individual medications must be in their original containers, labeled for the student by the pharmacy.
- Medications and the appropriate forms are to be delivered to NorthBay by a school representative not the camper.

PARENT NOTE: SAFETY & STAFF

At NorthBay safety is paramount. All of our class locations, adventure courses, and safety equipment are regularly certified and inspected. Our instructors are also qualified in their field, federally background checked & drug tested. We make the safety of your child our highest priority.

Parents are discouraged from visiting their children at camp for security reasons and because it can cause disruption and homesickness for students. All visitors must announce themselves at the front gate, sign in/out at the office, show appropriate ID, and wear a NorthBay wristband while on the premises. We ask that if you need to pick up/drop off your child for an extenuating circumstance, it is between the hours of 8:30 am and 6:00 pm.

PHONE CALLS

A NorthBay phone is available at meal times throughout the day for students. Parents can leave a message with administration to request that their child call home. Those messages will be delivered during meal times. Please understand that NorthBay can house up to 350 students per week and therefore students will not be able to call home every day of their stay.

NorthBay has a policy of zero tolerance for the use/possession of drugs, alcohol, cigarettes, or weapons. Parents will be notified and children will be sent home, along with appropriate measures.

What to Bring to NorthBay...

Students and adults are responsible for bringing personal items and clothing appropriate for the season and the setting. We want your stay at NorthBay to be as pleasant and trouble free as possible. A suggested list follows...

NORTHBAY HEALTH INFORMATION FORM

At NorthBay, health, safety and supervision are paramount. The approach to safety and risk management is accompanied with competence, judgment and purposeful sound programming. The children's safety and well-being is everyone's concern. As a policy of NorthBay we require that a Health Information Form be signed as a requirement to attend camp.

I represent that I am the parent or legal guardian of _____ (the "Camper") who desires to attend camp and participate in activities sponsored by NorthBay, LLC ("NorthBay"). In consideration for NorthBay permitting the Camper to attend the camp and participate in the activities, I have agreed to execute this Health Information Form. I assert the information given on this Health Information Form is complete and accurate to the best of my knowledge. I also represent that the Camper has received all immunizations as required by the Maryland DHMH Recommended Childhood Immunization Schedule and that these records have been provided to the school system.

In the event I cannot be reached in an emergency when my child is under camp supervision, I hereby give permission to the physician selected by the camp director to hospitalize, secure proper treatment for, and/or order injections, anesthesia, or surgery for my child. If something were to happen to my child a doctor selected by the camp may treat him/her for any injury/illness.

I understand that my child will participate in outdoor and environmental education activities including but not limited to: ropes course, zip line, climbing wall, kayaking, canoeing, wading, fishing, and hiking.

AUTHORIZATION FOR OVER-THE-COUNTER MEDICATIONS - In the event your child experiences minor discomforts during camp, we would like the opportunity to make your child as comfortable as possible. Therefore, below is a list of over-the-counter medications that can be administered by NorthBay personnel with your authorization. These medications are approved by the NorthBay Medical Director using the recommended doses from the manufacturers. This service is provided to alleviate your child's minor discomforts and avoid being sent home early from camp. The below approved medications are intended for occasional use only. If your child requires any medication on a regular basis, you must have a medication authorization form completed by your health care provider and supply the medications. I consent to the administration of the below indicated over-the-counter medications to my child while at NorthBay (check all that apply). If they are NOT checked they WILL NOT be given to the Camper.

Bonnie Branch Middle School
Fall 2018: Sixth Grade Outdoor Education Chaperone and Information Form

Field Trip Chaperone

The sixth grade team is in need of 30 chaperones, male and female, for our Outdoor Education trip. Chaperones will be accepted based upon need, and the date in which this form is submitted to Mr. Boone. There is no fee for chaperones to attend the trip. All that is needed is a commitment of your time and effort. In years past we have tried several options to ensure that we are able to have a ratio of one adult to nine students. We have found that the best way for this to happen is to have consistent adult presence throughout the trip. With safety being our top priority, we are requesting chaperones to make a commitment of ALL two nights and three days. If you are very enthusiastic about being a chaperone, but cannot commit to all three days and two nights, please contact Mr. Boone, ASAP at 410 313 2580, to discuss the matter further.

As a cabin chaperone you will provide a critical support for the NorthBay program. Every Cabin Chaperone will be attached to a NorthBay educational class for support and will be encouraged to actively participate with supervision of students. During the day, Cabin Chaperones will be able to create a schedule with other Cabin Chaperones who will be in your educational group to breaks, and enjoy time with your child. It is highly encouraged that you create a schedule, for your presence will be needed during activity time between 3:00 PM until 6:30 PM, nightly. In addition, you are encouraged to participate in the character education evening session that will take place in your cabin, after the group gathering at NorthBay Live. The character education sessions provide a connection to the educational classes that students participate in during the daytime. It is during this time that your evening host from NorthBay will provide suggestions for discussion and journaling that you do with your kids.

Please, be aware that as a chaperone, you are to know where your assigned kids are at all times, and move as a group, even during free time. NorthBay observes a "two person rule" whereby no adult should ever be alone with a child. Students must be under adult supervision at all times while at NorthBay. As additional support, chaperones will receive a list of contact numbers for the BBMS staff who will be on the trip. These numbers are only to be used during October 21 - 23, 2019, and should not be used after the conclusion of the Outdoor Education field trip.

With the efforts and supports of parents like you, our students will be creating life-long memories, and be provided with opportunities to participate in such wonderful and beneficial activities, that they may not have had the opportunity to experience. ***We truly appreciate you and your support of this educational endeavor.***

Note: Male chaperones are required to chaperone male cabins and female chaperones are required to chaperone female cabins. **In addition, parent chaperones will be assigned to their child's cabin, unless an arrangement has been made with Mr. Boone. If you are selected to be a chaperone, you will be contacted by October 8. A Chaperone Meeting will be held on October 14 at 6 pm.**
