Selecting Courses for 2020-2021

Dear BBMS Families,

We hope that your new year is off to a great start! Can you believe that it is time to select courses for next year already?

Here are some details and reminders to help you stay ahead of the game:

Current 8th Grade Parents = the deadline for you to enter requests for courses in Synergy is this Friday, January 17, 2020. January 17 is also the deadline for parents to enter a Course Placement Review (CPR) form to request a level of class that is different than the teacher recommendation.

Current 6th and 7th Grade Parents = here are some dates for you... this process has not begun for you just yet :-)

- **Jan 21 - 31:** Teachers will make recommendations for course levels in ELA, Math, Science and Social Studies.
- **Feb 5: 6th Grade Parents** will receive a Performing Arts and World Language Letter. This letter is used to see if your child wants to take a performing arts class (Band, Chorus or Orchestra) and whether they are interested in taking a World Language (French or Spanish). Parents will make selections online.
- **Feb 5: Students currently enrolled in band, orchestra, or chorus** will be recommended for placement into performing arts for 2020-2021. If the student no longer wishes to take this performing art or change the performing art selection, a parent should complete a course placement review form.
- **Feb 5: 7th Grade students currently enrolled in French or Spanish** will be recommended for placement into World Language for 2020-2021. If the student no longer wishes to take World Language in 8th Grade, a parent should complete a course placement review form.

- **Feb 14 - 21:** Parents will review teacher recommendations and enter course requests for Related Arts classes in Synergy for the 2020-2021 school year.
****More details and instructions will be sent to parents in advance of Feb 14.***
- **Feb 21:** Deadline for parents to enter a Course Placement Review (CPR) form to request a level of class that is different than the teacher recommendation.

We hope this helps you prepare for the 2020-2021 school year. Please contact us if you have any questions about this process.

Thank you!
