## 7th Grade Kicks off Service Learning Project~!

Hello BBMS Families,

**Yesterday, the 7th Grade Team 7 kicked off the New Year by focusing on their Student Service Learning Project entitled: Do Something!** Through a partnership with Grassroots Crisis Intervention, students will learn how they can collectively help those in need in our community. Students were active participants in a presentation yesterday through their Social Studies classes where Mrs. Cathy Smith (from Grassroots) gave them an overview of the services and resources that Grassroots provides. In the upcoming months, students will work together to provide assistance to and learn more about the following through their academic content classes:

- **Helping Those in Need- helping those who are homeless, living in transitional housing, and those who are experiencing financial strains**
- **Don't Do Nothing- learning about suicide prevention and the crisis center team at Grassroots**
- **Change Matters- working together to help fundraise money for the many services provided by Grassroots**

Our 7th Grade Team is looking forward to working with Grassroots and helping students find ways to "do something" to help make a difference in the lives of many in Howard County in 2019!

We will keep you informed of these projects throughout this semester. Please contact our Main Office, Student Services, or Mrs. Nanni (7th Grade Team Leader) if you have any questions.

**We can't wait to see the impact our students will have!**

Go Sharks!

Drew Cockley  
Principal
