News from BBMS...

Dear BBMS Families,

We hope that you and your family are doing well and that your first quarter experience at BBMS has been a good one. **The first marking period will end on November 5th, with report cards coming home on November 14.** This is a great time to do a temperature check to make sure all students are on track. Parents are encouraged to contact teachers and open up lines of communication. We will also have parent conferences on November 19, 20 and 21 - so look for news soon about when you can sign up for conference times with teachers.

We will also be starting our morning and afternoon support programs very soon.

The design of these programs is to help give students a little extra push needed in ELA, Reading and Math. We will look at MAP, PARCC and GPA to determine who will be a good fit for each program. Students and parents will receive invitation letters to these programs with details. We have lined up bus transportation to help more students take advantage of these programs. Please call our main office if you have any questions about these programs. Stay tuned!

And lastly, we are so proud of the students who are running for office in our Student Council. Their posters are outstanding! This is a big risk and we applaud those students who want a leadership position in Student Council. This is a great way to raise the student voice at BBMS!

Go Sharks!

Drew Cockley
Principal
