## News from BBMS

Dear BBMS Families,

We hope all of our 6th grade students have caught up on their rest after the Outdoor Education field trip this past week. Our goal was to provide every student with a positive learning experience connected to environmental education, team bonding, and cooperative learning. We hope students who did not attend the trip to Northbay enjoyed the experiences here at BBMS with Ms. Heinz and Mr. Garner.

**If you didn't get to see photos from the trip to Northbay, here you go:**

<https://northbayadventure.org/students/play-of-the-week-videos-photos/>

We'd like to take this opportunity to thank all of the parent chaperones from the event too. We could not have done this trip without you! The involvement of parents at BBMS is fantastic and we know our students really enjoyed having you there. THANK YOU!

This week at BBMS we turn our attention to the impact of social media and how this can become an issue of bullying and harassment for students. On Tuesday, October 29, we are going to hold an assembly for all students called "Go Viral", a CAMFEL Production. **You can read more about the program here:** [http://camfel.com/pages/go\\_viral](http://camfel.com/pages/go_viral)

Teachers will reinforce the message of this assembly in their classes on Wednesday and we hope this helps our students make wise choices about their social media use and how they treat each other every day at BBMS.

And lastly, this is the final week of the first marking period. Please look for grades in Canvas and connect with teachers if you have any concerns. We are here to support students in reaching their full potential and having a strong teacher/parent connection often helps. Thank you for staying on top of this.

**Go Sharks!**
