Bonnie Branch Middle School

News from BBMS...

Dear BBMS Families:

We hope that you had a nice spring break despite the cold temperatures and shortened days off. This week marks the end of the 3rd Quarter and report cards will be coming home soon (April 23).

We are also getting ready for PARCC testing which will begin on April 30th for 6th Grade, May 7th for 7th Grade, and May 14th for 8th Grade. Each grade will test for four days - please remind students that a good night's sleep, attendance at school, and attention in class will help them perform at their very best. The PARCC tests are one way that we check to see if students are making the progress we hope to see before they head off to high school and results also help us see where students might need more support. Thank you for encouraging students to do their best each and every day!

As we prepare for the end of the 3rd marking period, we will hold a celebration for students on Friday, April 13. This is a 3 hour early dismissal day where students will be able to select different activities designed by our PBIS committee. This is a way that we help students see the value of their efforts at BBMS!

Also, does your student have a talent that they would like to share with others at BBMS? Can they sing, dance, play an instrument? Maybe they are able to juggle, do acrobatics, or make others laugh? We know that students at BBMS have a million different talents and we want to see them on stage! So, thanks to a few students and Mr. Rainey, BBMS will have a Talent Show for students the last week of school. Auditions for this event will be held after school on April 16 & 17. Permission slips will be in the Media Center for any interested students. We know this will be a great event!

And, don't forget that the spring musical is coming soon (May 11, 12 & 13). Our students and staff have been working very hard to put on a great show for you. We hope that you plan to come see one of the performances!

Have a great week BBMS!

Drew Cockley

Principal
