News from BBMS...

Dear BBMS Families,

(Ms. Striebich will have this on our website soon!)

We hope you are doing well, staying safe, and feeling good about how virtual learning is going. We only have a few more weeks to go, so hang in there Sharks!

We learned this week that teachers will assign work for two more weeks:

- June 1 to 5
- June 8 to 12

During the week of June 15 to 19; teachers will provide time for students to turn in any missing assignments and wrap up grades, as well as engage students in alternative learning activities.

This week you will get a chance to complete a survey letting us know if you have any items at BBMS that need to be picked up, including: medications, instruments, locker shelves, and personal items in lockers. We will assign times for families to stop by BBMS where we will greet you and bring items out to your car. There will be a process for picking up items and dropping off HCPSS materials. All of this will be shared with you separately. We anticipate using June 9, 10, & 11 for pick up days.

As we get closer to June 23, we will finish the year with our annual talent show!

Look for details coming home next week for students. We hope they create videos of their talents, including music, art, sports, tik tok dances, etc. We will create a montage of their work to be viewed before the last day of school. This should be fun for all to see!

Lastly, we have been working with the PTA, Student Council and 8th Grade Team to come up with ways to appropriately show the BBMS 8th Grade Class of 2020 how very special they are to us. Plans are in place to commemorate their time at BBMS with a school plaque, a farewell video, and an online raffle. Parents, students and staff are working hard to put all of this together and we will share this with you soon!

Hang in there Sharks - we know you can do it!
