

Bonnie Branch Middle School
Message from the Principal

Dear BBMS Families,

The first marking period ended on Friday, November 10 and we hope that it has been a good one for your sons and daughters. There was a lot of change at BBMS this year and we hope that your kids have enjoyed getting to know their new teachers and administrators as much as we have enjoyed getting to know them. To celebrate the end of the quarter, a dance was thrown by the PTA. We had over 200 students come and it was a fantastic night. Our PTA and all of the parent chaperones were fantastic. It was a great night and we hope to see your student at the next one!

This week marks American Education Week and we want to welcome all parents to stop up to BBMS to see your kids in action. We set aside one day for each grade to visit:

6th Grade - Tuesday, November 14

7th Grade - Wednesday, November 15

8th Grade - Thursday, November 16

There will be extra chairs in each classroom for you. Parents can stop by classes and lunch throughout the day. Please be sure to sign in at the main office upon your arrival.

Report Cards and MAP Scores: these will be distributed to students on Friday, November 17. Please look for these to come home and let us know if you have any questions about the results.

Parent conferences are right around the corner: November 20, 21 & 22 are scheduled conference days.

Please sign up early!

Lastly, we are so proud of how our students are getting involved to help others in our community and around the world. Please ask them about the Book Drive, Canned Food Drive, Change Matters, and Pusera Project. Each is an effort to provide food, items, and donations to those who are less fortunate. We have such a caring, supportive community and thank all of our students for getting involved.

Parents make a huge difference in the success of any school and BBMS is fortunate to have your support - thank you and GO SHARKS!

Drew Cockley
Principal
