# BBMS Opening Days!

***Dear BBMS Families,***

We hope your student came home yesterday and today with a smile on their face and that they were excited about the school year beginning. Our students are off to a great start and have really impressed us with how quickly they are getting into routines. They are being challenged to think critically and show that they are ready, respectful, and responsible each and every day. [Sidewalk Chalk.pdf](#) are some photos from today that show you how thoughtful our students can be - thank you students (and Mrs. Romans) for decorating our sidewalks with positive messages today! BBMS truly is a caring place and we are excited to share more great experiences with you throughout this year.

We want to thank the students and parents of a couple buses for your patience while routes are being addressed due to larger enrollments than anticipated. The HCPSS Transportation Department is working on increasing the number of buses servicing those neighborhoods impacted (parents of those buses received a separate direct email notification).

And, we are happy to report that our average temperatures in the building were much better today - phew!

**We hope to see you for Back to School Night on September 12th beginning at 6:00pm.**

**Go Sharks!**

***Drew Cockley***  
***Principal***
