

Want to help set your child up for **SUCCESS** in middle school? **Meet the Locker Organizer**

What student won't benefit from a little organization assist?! We have the perfect tool for them!

This system divides your locker into 3 or 4 separate storage areas for organization. Use one shelf for before lunch classes and the second for after lunch classes. Designed to fit 12-inch wide BBMS lockers.

This has successfully been tested by 200+ BBMS students (see photo before and after). All binders and notebooks fit UPRIGHT in the shelves without problem, and the shelves will not buckle.

Your child's new shelf will be available at BBMS on August 31st from 12:00-3:00 or can be picked up through Mr. Fox on the first day of school.

Similar shelves purchased elsewhere cost more and do not allow for upright binders. See image to the left (hanging and metal wire shelves)

If you would like more information on the Locker Shelf, please visit <https://www.lockershelfco.com/>.

Prepaid orders must be in **by August 14th for \$40.00**. After that, they will be available for sale on a first come/first serve basis. Lockers will be distributed at BBMS on August 31, from 12:00-3:00 - or email Christopher_g_fox@hcpss.org for separate appointment.
