Optional: A graphing calculator is recommended for students taking Pre-Algebra GT and higher math courses. Recommended models are TI-83, TI-84 (all versions), or TI-Nspire. Students who do not have their own will be provided one during class time, and will be able to use the free online Desmos graphing calculator via their Chromebook when at home.

Optional: Throughout the year, teachers may identify **items for donation** that will be appreciated. Two such requests are boxes of tissues and hand sanitizer for classroom use. If you would like to donate these items, please send them in with your child. Thank you!
