Maximize Your Volunteer Hours or Direct Donations!

Does your firm have a corporate volunteer or donation matching program?

There's a chance that your company matches the hours you spend volunteering with the school or PTA with a corporate donation. Activities such as outdoor education, school dances, field trips, and more may qualify.

Also, if you've made a financial donation such as a direct donation to the school or PTA, it's possible your employer might match your donation.

There are a variety of ways to make the most of your volunteer hours and donations. It can be as easy as completing a simple form. Please check with your company to see if this benefit is available to you.
