HEALTH AND SAFETY

Face masks in HCPSS buildings are voluntary and the Centers for Disease Control and Prevention and other health experts continue to recommend face masks as a precautionary measure.

Please note that [per the CDC](#), masks are required in healthcare settings, so students and staff must continue to wear a mask in school health rooms.

HEALTH AND SAFETY

AT-HOME HEALTH CHECKS

Parents/guardians should **keep their children home if they are experiencing symptom(s) associated with any communicable disease**, including COVID-19. In addition, parents/guardians are to perform the following COVID-19 health check every day before the student leaves home. Students and staff should NOT come to school with any of these symptoms:

- fever of 100.4 degrees or higher
- sore throat
- cough
- difficulty breathing
- diarrhea or vomiting
- new onset of severe headache (especially with fever), or
- new loss of taste or smell

For persons with chronic conditions such as asthma, the symptoms should represent a change from baseline.

LANGUAGE ARTS INSTRUCTION

Updated Instructional Model:

Literature Circles - small, peer-led discussion groups centered on a student-selected novel.

Writing - Daily writing prompts as well as a weekly focus on explanatory writing

Instructional Focus:

- Reading stamina
- MCCR reading, writing, speaking and listening standards
- Close reading experiences
- Independent reading and writing experiences
- Current, diverse, highly engaging text

MATHEMATICS INSTRUCTION

Addresses three primary goals:

- to build upon *prerequisite skills and understandings necessary for success* in the subsequent mathematics course in sequence;
- to address *essential content standards* that build toward grade-level standards; and
- to develop *positive mathematical identity* and *agency* through student behaviors outlined in the Standards for Mathematical Practices and growth mindset activities.

MATHEMATICS INSTRUCTION

- **Rising 6th** -will focus on the overarching themes of Operations with Fractions and extending the Real Number System to Rational Numbers
- **Rising 7th**- will focus on the overarching themes of Ratios and Proportional Relationships and Rational Numbers
- **Rising 8th**- will focus on the overarching themes of Ratios and Proportional Relationships and Expressions and Equations

SOCIAL-EMOTIONAL LEARNING (SEL)

SEL lessons and activities are being created using Caring School Community, Learning For Justice, Overcoming Obstacles, Move This World, CASEL, and other supplemental resources.
