News from BBMS!

February 1 to 5... Starting a New Quarter!

Hello BBMS Families,

We hope you are enjoying the beautiful winter weather we are having ~ although I am sure students are wondering: "how much snow does it take to close virtual school???" Please reassure them that when June comes around, they will be happy to have summer start earlier! We know that there has been a flurry (*sorry) of activity lately about returning to school. There are several very important tasks for families to complete right now so please reach out to us if you have any questions. Our hope is that these emails are providing you with the information you need to stay on top of things. If you need any assistance, please let us know! For now, know that we are focused on providing the very best experience we can for your students while planning ahead for the eventual return to in-person learning. Your attention to the tasks below will help us do that - thank you for all you do to support BBMS!

Go Sharks!

Dr. Andrew Cockley, Principal

*Also, don't forget to come to BBMS on Wednesday, Thursday or Friday this week between 8am and 3pm to pick up your 2020-2021 Student Agenda Book and any Materials needed for Quarter 3. Teachers will let your student(s) know what they might need to come to school to pick up.
