# BBMS Students Qualify for Nationals!

---

## National History Day!

### *Good morning BBMS Families!*

We hope you enjoyed this past weekend ~ we sure did! It was a great one for our students who participated in the Maryland State Competition for National History Day. Seven (7) Bonnie Branch students qualified to compete this weekend at the state level event after having success at the county level. The students who represented BBMS were:

- **Percie Musselman and Jennifer Tom**
- **Sam Liebling**
- **Tess Silverman**
- **Mia Pinkham and Addison Greenwald**
- **Annette Horner**

Making it to the state level competition is pretty amazing stuff ~ and we are thrilled to announce that **three (3) students qualified for NATIONALS!** The following students will continue in the National History Day competition in June (to be held virtually this year) on the biggest stage:

- **Mia Pinkham** and **Addison Greenwald** were STATE Champions in the "Group Website" category; and,
- **Sam Liebling** was the STATE Runner Up in the "Individual Exhibit" category.

We also want to give a shout out to **Annette Horner** who made it to the top 4 in a runoff in the "Individual Performance" category.

It was so impressive to see the work that these students put into their projects and to see their effort be rewarded with this success is very gratifying. Thanks goes out to **Mr. Chris Nobis, Mrs. Hannah Mittel, Mrs. Anne Schaefer** and **Ms. Nancy Barnes** for all their work behind the scenes; helping students research, prepare,

and execute at the school, county, and state levels. This achievement is a testament to the possibilities that exist for all students at BBMS and we are so proud!

***It's a great day to be a Shark!***

***Dr. Cockley, Principal***
