Weekly Shark News!

November 19, 2021

Hello BBMS Shark Families,

What a week at BBMS! We were thrilled to see our **students and their teachers return to the big stage** (at Howard High School) this week for fall concerts! The talent of our students in Chorus, Orchestra and Band is simply amazing. We were so impressed with how far they've been able to come in such a short time since returning to in-person instruction this year. A huge shout out to Mr. Humphrey, Mr. Morris, Ms. Haight, Mr. Wilson, and Mr. Rainey for all their hard work in preparing students for success at their concerts. We also want to give a big thanks to those teachers on our Music Committee who work hard behind the scenes to organize arrivals, uniforms, instruments, etc. And, last but not least, our Music Boosters for helping us secure professional looking outfits for our students to wear. We know it takes many people to make a concert a success and you really did it right!

Also, this week we celebrated our **Straight A students** with an ice cream social yesterday. The music was pumping as they entered the cafeteria where they were greeted with treats and staff. We are so impressed with their hard work and achievement. Today, students on **each honor roll** received a school pen to recognize their achievement as well. We know it takes hard work and dedication to make any of the honor rolls and we are so proud of our sharks for their accomplishments!

Next week, we turn to **CONFERENCES** for families to talk with teachers about progress in school. Please call us if you have any questions about the schedule. We will offer a "technology support space" for families that evening who may need assistance as well.

And lastly, as a reminder, school dismisses early on Monday, November 22 and Tuesday, November 23 at 11:55am. Schools are closed for students on Wednesday, November 24.

We hope you and your loved ones have a safe and enjoyable Thanksgiving!

Dr. Cockley

Principal
